Dear Sir / Madam

**Tamil Methodist Church Sitiawan Building Fund Raising Project**

The Tamil Methodist Church Sitiawan membership has grown tremendously over the years that members have to sit outside the church during worship services. This 54 years old church building has been serving as a home to the communities in Sitiawan and neighbouring towns such as Ayer Tawar, Pantai Remis, Kayan, and Lumut to bring believers closer to the Christian faith.

This church, which can accommodate only a small number of worshippers, needs funds to expand its premises to benefit more people in the community. In order to maintain the heritage of this church and to be cost effective, an extension building will be added to the existing structure. We kindly seek your generous contribution to help us in our efforts to expand our church building and grow in faith.

This church has been the backbone in our community and in our lives for many years. Please join us in our mission to build our church, our faith and our community with your generous contribution. We are committed in growing and serving our community better in all areas. We seek your prayer in making this project a success.

Thank You and May God Bless You.

Yours truly,

Rev. A. James Ravindaren  
Tamil Methodist Church  
Sitiawan Pastor

Mr. Vilmert Albert  
Building Project Chairman

Mr. Joshua Subramaniam
